Education

2015-2017
Schenectady County Community College

At SCCC I attended classes for computer science that involved advanced web development using HTML, CSS and JavaScript. I also Attended classes involving Java, ASP.NET, C#, C++ and databases using MySQL, however I did not obtain a degree.

2012-2014
Capital Region BOCES

During my junior and senior years of high school I attended a course for Internet Apps and Web Design where I learned basic HTML, CSS, and Adobe Photoshop. While I was here, I obtained a certificate for Adobe Photoshop CS4.

Schalmont High School

I graduated with a High School diploma in 2014.

https://sheltered-headland-93031.herokuapp.com/ | https://github.com/d-simmons925/MERN_Calendar
Tech used: React, Redux, Bootstrap, Axios, Express, Node.js, JSON web token, Mongo DB, bcrypt

Pokémon TCG App

https://pokemon-tcg-search-app.herokuapp.com/ | https://github.com/d-simmons925/Pokemon_TCG_App
Tech used: React, Bootstrap, Axios

Work Experience

November 2019 – May 2021
Solutions Specialist | R Wireless

R Wireless is a Verizon authorized retailer that sells Verizon products and services. I worked in a commission-based sales position and occasionally performed duties akin to an assistant manager, although it wasn't my official title.

November 2016 – November 2019
Sales Associate | Sam's Club

Most of my time at Sam's Club I worked as a front-end cashier and briefly worked in their electronics department.
